 Creative Economy Program Information

 Brief summary of organization's history and mission.

Please indicate which creative industry your program focuses on (choose all that apply):

- A. Architecture & Interior Design
- B. Digital Media: gaming, graphics, animation, video, motion, web
- C. Entertainment: sound recording, film, television, radio
- D. Fashion: apparel design, manufacturing, wholesale
- E. Furniture & Decorative Arts
- F. Industrial & Product Design: consumer goods, toys
- G. Visual & Performing Arts: Theatre, dance, music, visual, literary, media or folk and traditional arts

 Provide a brief description of your organization's program including goals, tactics, and any distinguishing features.

 Indicate how many individuals your program serves each year, including a brief description of demographics.

 Please share the best practices, if any, that are implemented by your program in the development of artists or enterprises' strategic planning, technical assistance and/or professional development.

 What types of innovative approaches are employed to help enterprises grow capacity or expand their reach?

 What mechanism does your program have in place to assess or evaluate outcomes, please include methodology.

 How does your program help build hands-on experiences and/or foster mentorships that enable artists or enterprises to grow and mature?

 Please describe how the program provides a support system for the fiscal development of artists or enterprise?

 Should your program provide business and management skills training for artists and enterprises, please provide a brief description of the curriculum that is followed.
